Solar Bootwash Pro

Solar Bootwash Pro is an excellent solution for sites that are prone to mud and muck. Our bootwash units are designed to prevent muddy boots from dirtying your site cabin, vehicles, or plant equipment.

Whether you require a bootwash station for a single person or hundreds of people, our units are easy to install, maintain, and cost-effective. The heavy-duty brush, hose, and nozzle effectively remove even the heaviest mud.

Features & Benefits

- Designed for all remote working sites
- Settlement system for ease of cleaning and removing waste
- Easily linkable with a single piece of pipe.
- Made out of lightweight but durable material, movable by hand, no machines necessary as they are
- Self Contained unit consisting of
 - Battery
 - Solar Panel + Regulator
 - 1000Ltr IBC Tank
